

MD Buzzards Bay 34OB Salon Express

2010 Model Year Specification.....\$328,000

Stock Propulsion System

Twin Suzuki 4-stroke 225HP, 30" shaft

- 225 HP each, 450HP total, v-6, most compact in class
- 4 valves per cylinder, automatic valve adjustment
- digital fuel injection system
- Deepest gear reduction in class swings biggest prop for better efficiency and control
- Powertech stainless steel prop, counter rotating

Steering System

Hydrive Manual/Hydraulic System

- Low profile helm unit with minimal protrusion from console
- In-built lock valve eliminates torque feed-back
- 4 precision bearings for smoothest performance
- Twin hydraulic Bull-Horn steering cylinders
- Heavy duty stainless steel, chromed brass, and bronze
- Liquid tie bar with alignment valve
- Factory vacuum bled system for zero constrained air

Fuel System

Twin Isolated System

- 190 gallon total capacity in twin 95 gallon tanks
- Welded aluminum fuel tanks, construction exceeding USCG specifications
- Twin, 2" fill pipes, deck fittings reached from cockpit
- Dry tank installation, removable
- Easy inspection of tanks, removable
- Twin Racor fuel filter / water separators with clear bowls

Propulsion Electrical

Twin Isolated System with Cross Connect

- Twin Mastervolt Group 29 AGM propulsion batteries
- Triple BEP battery switches
- Cross-over capable starting of using either start battery
- 280 AMP total engine alternator charging, 12volt

House Electrical System

Advanced Multiplex Design with Touch Screen Control

- Airpax E-plex distributed wire system
- Touch screen control and monitoring through-out vessel
- Mastervolt 4D 225 AH house battery
- Mastervolt digital battery charger
- Mastervolt galvanic isolator
- Marinco 30 amp stainless steel shore power connection and 50 foot cord
- Four DC outlets at Helm (2), Lounge, and Stateroom
- Four AC outlets at Stateroom, Head, Galley, Lounge

Fresh Water System

66 Gallon total system capacity

- 60 Gallon heavy duty poly-ethylene tank, easily inspected, field removable
- 6 Gallon Indel Marine Isotemp stainless steel hot water heater
- Jabsco Sensor Max VSD Constant Pressure water pump, 4.3GPM, variable speed
- Pextite plumbing hardware with multiple branch isolation valves

Toilet and Waste System

Complete Sealand Vacuu-Flush System from toilet to tank

- Sealand push button vacuum toilet
- Fresh water flushing, insignificant water usage per flush
- 21 gallon waste tank, extra thick PE tank
- High Quality Odor-Safe Sealand hoses

Bilge System

Twin Isolated Bilge Systems

- Two Rule 2000 GPH submersible bilge pumps, manual and automatic modes
- Rule Super Switch float switch
- Bilge alarm monitoring

Hull and Deck Construction

Advanced Composite Construction

- Hull: Advanced resin infusion system utilizing 100% vinyl-ester resin, Baltek balsa coring, uni-directional e-glass fabrics.
- Deck: 100% vinyl-ester resin, vacuum bagged foam core, uni-directional e-glass fabrics.

Deck Hardware

- Eleven large mooring cleats, 316 stainless steel, (1 anchor, 2 bow, 2 fwd spring, 2 aft spring, 2 pop-up stern cleats, 2 folding swim platform cleats)
- Coach roof mounted handrails, 1.25" diameter, powder coated oyster white
- 1.25" diameter stainless steel perimeter safety rails
- Two Lewmar aluminum size 44 anchor hatch
- Lewmar aluminum size 50 stateroom hatch
- Lewmar aluminum size 30 coach roof hatch
- Molded composite toe rail
- Four step removable dive ladder
- Four stainless steel gunwale mounted rod holders
- Under gunwale rod and boat hook storage
- LED navigation lights

Cockpit

- Molded non-skid sole
- Twin transom doors
- Stainless steel scuppers
- Two large lazarettes, with overboard flowing gutters and gaskets
- Whale hot and cold water shower
- Imtra LED rope lighting under gunwale

Pilot House

- Fully enclosed and locking
- Diamond Sea-Glaze 150 series door, powder coated, upper window
- Diamond Sea-Glaze powder coated windows: two sliding side windows, two fixed forward windows, one power operated helm window, one power operated aft window
- Amtico sole, owner chooses 1 species
- Whisper wall over head and wall coverings
- Three heavy duty Imtra windshield wiper and wash systems
- Nicro day/night exhaust ventilator with green water shut-off damper

Helm

- Stidd 500N helm seat, Ultra-Leather owners color selection*
- Stidd 500N mate seat, Ultra-Leather owners color selection*
- Satin cherry or teak dash panel, sized for two electronic displays
- Ultra-leather dash top
- DC power outlet
- Richie Helmsman HF742 flush mount compass
- Vetus Teak and stainless steel steering wheel
- Imtra LED task chart light
- Imtra Hatteras warm white LED overhead lights, dimmable, qty 2
- Lewmar overhead hatch with sun shade and bug screen

Galley

- Molded solid surface counter top with integral sink, ergonomically correct toe kick
- Recessed Princess glass top two burner propane stove, teak covering board
- Built in convection microwave
- Vitrifrigo refrigerator and freezer, 4.2 cubic foot, low power, cherry or teak veneer
- Two solid dove tailed wooden drawers, stainless steel slides, push button latch
- Below sink cabinet with shelf, satin cherry or teak door
- Forward storage cabinet doors, double shelves, satin cherry or teak
- AC outlet
- Imtra Miami halogen directional overhead lights, qty 3

Lounge

- Raised seating, sculpted Ultra-Leather cushions, owners color selection
- Back rest cushions fill in for second berth
- Hinged seat base for storage access, stainless steel gas charged shocks
- Cherry or teak table, folding leaf design, gas charged adjustable pedestal
- DC and AC outlets
- Room for five adults
- Imtra halogen reading light
- Imtra Hatteras warm white LED overhead lights, dimmable, qty 2
- Vitrifrigo 2.2cu ft drawer freezer

Port and Starboard Companionways

- Molded composite stairs with matching Amtico treads
- Hinged stairs on gas charged cylinders give storage and mechanical access
- Port companionway includes storage cabinet and trash receptacle and bottom cubby
- Starboard companionway includes two storage cabinets and bottom cubby
- Diamond Seaglaze doors with translucent panel flood cabins with natural light
- Satin finish cherry or teak woodwork
- Imtra red LED courtesy lights, qty 2

Stateroom

- Queen size berth on hinged base for storage access
- Memory foam sandwich mattress
- Two dove tail drawers at foot of berth
- Two berth steps, one with hinged lid for storage
- Closet with satin cherry or teak closet door
- Two opening portlights, one overhead hatch with sunshade and bug screen
- Two corner book shelves at head of berth
- Amtico sole
- Nicro day/night intake ventilator with green water shut-off
- Whisperwall wall and overhead coverings
- Imtra Hatteras warm LED overhead lights, dimmable, qty 2
- Imtra halogen reading lights, qty 2

Head

- Satin cherry or teak finished vanity with storage
- Raised vessel sink, hot and cold water faucet
- Separate shower with hot and cold water sprayer
- Two opening ports
- Shower curtain, towel rack, mirror, toilet paper dispenser
- Automatic shower sump pump
- Nicro day/night exhaust ventilator with green water shut-off
- Imtra Hatteras warm LED overhead light, qty 1
- Imtra halogen water proof shower light

Cockpit

- Molded non-skid sole
- Twin transom doors
- Stainless steel scuppers
- Two large lazarettes, with overboard flowing gutters and gaskets
- Scandvik hot and cold water shower

Air conditioning and Heat

- Marine-Air 16,000 BTU air conditioner and heater with ducts to pilot house and stateroom
- Control temperature from pilot house and stateroom berth
